C ATECHISM of the
ATHOLIC HURCH

The unique and altogether singular event of the Incarnation of the Son of God does not mean that Jesus Christ is part God and part man, nor does it imply that he is the result of a confused mixture of the divine and the human. He became truly man while remaining truly God. Jesus Christ is true God and true man.

PARAGRAPH 464

“ The whole point of Incarnation is none other than the Mercy of God who wanted to repair the damage of Man’s fall from divine grace.
