THE FIRST CHRISTIANS

On Pentecost day, many people heard Peter and the Apostles preaching. They believed in Jesus and wanted to be baptised.

After their baptism they spent a lot of time listening to the apostles. The apostles told the people stories about Jesus. Their favourite stories were about when Jesus rose from the dead. They told the people how they did not believe that he rose from the dead until they saw him and ate with him! The people were learning many new things from the apostles. In the name of Jesus, the apostles cured many people too.

Everybody respected the apostles. Those who were rich gave money to the poor so that they may buy enough food. Everybody was filled with joy. They met every day to go to the temple and pray together.

On Sundays they met in their homes, and after listening to the apostles they shared the Eucharist. They were very happy together. Others saw how happy they were and decided to join with them.
