MARY AND MARTHA

While on his travels, Jesus came to a village where a woman named Martha welcomed him into her house. Soon she started to prepare food for her special guest. Her sister Mary however, just sat down at Jesus' feet and listened to him speaking. Martha came to him and said, 'Lord, do you not care that my sister is leaving me to do the serving all by myself? Shouldn't she come to help me.' But the Lord answered, 'Martha, Martha, you worry about so many things, and yet few are needed, indeed only one. It is Mary who has made the best choice. She chose to listen to my words'

ON THE LAKE

One day Jesus was standing on the shore of the lake. As he often did he was telling stories and talking about how much God loves us. The crowd was big and some kept pushing their way up to Jesus. Jesus was afraid that he would be pushed ashore and into the water!

On the lake Jesus saw two empty boats tied to the shore. The Fishermen in these boats were busy washing and folding their nets. On one of these boats there was Simon Peter. Jesus climbed into Simon Peter's boat and asked him to push off a little from the shore.

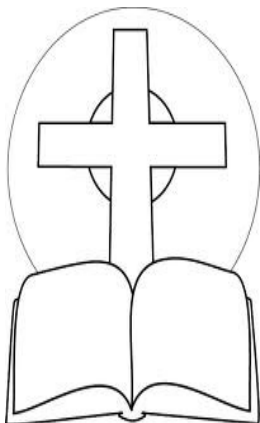

Jesus sat on the boat. He continued to talk to the people from the boat. The people now stopped pushing and were paying more attention to what Jesus was telling them.
